January 11, 1966

Dear Mr. Johnson,

I would like to have a Xeroxed copy of the original from which Exhibit 2896, a Miami Secret Service report of May 5, 1964, was printed. If there is any related data of which you know, I should like to be referred to it.

Investigations were made of David Ferrie (whose name is also spelled otherwise) and Jack Lawrence. In the case of Ferrie I believe there should be FBI records going back to December 1963. I should like to have two copies of each, unless the number is great, in which event I would prefer to examine them first.

Enclosed is a check for $37.00, for which I would like you to send a copy of the bibliography or file list to Penn Jones, Jr., editor, The Midlothian Mirror, Midlothian, Texas, as rapidly as possible. If air parcel post is faster, please charge the extra cost to my account.

Sincerely yours,

Harold Weisberg
